JEFFRIES IS NO FIGHTER AT ALL

Supervisor Herget Recommends Permit for Jeffries-Johnson Contest.

CLAIMS MATCH WILL BE SIMPLY BOXING BOUT

Tells Church Federation Prize-Fighting Nearly as Brutal as Football.

SAN FRANCISCO, May 24.—The first definite step in the campaign that is being waged by the representatives of the churches against prize fighting, today, when a delegation of prominent ministers and their legal advisers appeared before the police committee of the board of supervisors to protest against the granting of the permit to the Broadway Athletic club to conduct a boxing contest in this city July 4, John L. Herget, formerly a middleweight prize fighter known to the ring as "Young Mitchell," and who is now a city and county supervisor, sat as chairman of the committee that heard the protest of the clergymen. A recommendation was made by the committee to the supervisors that the permit be granted to the Broadway club, under the auspices of which Jeffries and Johnson will fight on the national holiday.

Minister Protests.
Rev. William Rader, Rev. A. C. Bain and Attorney J. E. White took the leading parts in voicing the protest of the church people.

Chairman Herget informed the delegation that the Jeffries-Johnson fight was merely to be a scientific boxing exhibition, and that it would be countenanced as such by law. When the ministers referred to the scheduled event as a prize fight and to Jeffries and Johnson as prize fighters, Herget objected and declared that Jeffries "has never been in a fight in his life."

Herget invited the "whole church federation to be present at the next fight." "I think you will find that our objection to this prize fight business is really more serious than you admit," Mr. Herget declared Rev. Rader.

"Reverend, I must object to you saying that we are going to grant a permit for a prize fight. This is to be merely a boxing exhibition," said Herget. "Is Jeffries a prize fighter or a boxer?" asked Mr. Rader.

Isn't a Fighter.
"Not he isn't a fighter at all," "Not in my opinion," the chairman replied. "And he has never fought," the minister queried.

"He has contested," Herget ventured. "Well, in my opinion the affair is intended to be a prize fight and the permit should not be granted," concluded Mr. Rader.

"It certainly is not to be a picnic," "I must disagree with you again, reverend," said Herget.

"This contest is to be conducted strictly under the Marquis of Queensbury rules—rules laid down by a gentleman and peer of England. These rules govern all boxing contests here. A prize fight is a fight with bare fists. It brings in wrestling and other things and it is sometimes as rough as football."

The committee then decided to recommend the granting of the fight permit.

CORBETT IS ANXIOUS TO TRAIN JEFFRIES

CHICAGO, May 24.—James J. Corbett, former heavyweight champion, is staying here a couple of days on his way to Ben Lomon, Cal., to help condition Jeffries for his fight with Johnson.

Asked concerning his old-time feud with Joe Choynski, Corbett laughed and said: "No, I don't suppose we could be called friends for we've been enemies practically since we were boys, but it would prove no obstacle to our mutual efforts to help Jeffries. I've forgotten any hard feelings I ever had and I hope Joe has. This is too big a thing for petty bickering to enter into the plans. I don't suppose Choynski and I ever will room together, but so far as I am concerned, I will greet Joe just as cordially as if we never had any differences."

"When I told Jeff some months ago that I would do all in my power to help him beat Johnson, I meant every word of it," said Corbett. "and I began right training at once and increased it until for the last two weeks I have been doing what might be called hard training."

WOLGAST PAYS PENALTY FOR SCORCHING IN AUTO

TRAVERSE CITY, Mich., May 24.—Ad Wolgast, lightweight champion, while driving at forty miles an hour last night was thrown from his car but escaped injury. J. P. The car skidded, Wolgast threw the wheel over and the car struck a side of the road, partially burying his machine. It took the party an hour to dig the car out.

Gallagher Wins Championship.

Con Gallagher, the sporting promoter of Murray, has wired to Denver for L. T. Brown who has held the amateur championship of Denver for the past three years. It is Con's plan to match Brown with Peter Buzukos, the "terrible Greek," who is to go up against Yonel at the Salt Lake theater soon. The match is to be pulled off in Murray in the near future.

JEFFRIES FOUND IN GOOD HUMOR

Entertains Large Crowd, Making the Best Showing Since Beginning Training.

BREAKS CHOYNSKI'S TOOTH AND DAMAGES HIS NOSE

Former Champion Will Appear in 'Frisco Theater Next Friday Evening.

BEN LOMON, Cal., May 24.—Ed Lomon, of lively boxing was served up visitors at the training camp today. Jeffries was in good humor and felt working. He wanted to go a round or two more, but Sam Berger was not a condition to accommodate the fight after two rounds of fast milling.

Bob Armstrong was used for the rounds. This bout was not exciting, the negro is extremely clever in defense and Jeffries always finds it difficult to reach him. The work with Armstrong is considered splendid practice, because of the similarity between tactics of the sparring partner and black champion.

The bouts with Brother Jack Johnson, Berger and Joe Choynski were of the same order. The Choynski affair, particularly interesting for the special Jeffries handled the veteran in any a gentle manner and Choynski came out of the ring with a broken tooth, a bad and a damaged nose.

Rope-skipping and handball followed the boxing, and in the afternoon Jeffries put in another hour in the gymnasium. He was happy and whistled and sang through his work.

Jeffries will leave the camp Friday morning for San Francisco, where he appears in a sparring exhibition that evening. He will return in an automobile which he has just purchased.

LARGE CROWD SEES FAST BASEBALL GAME

SPRINGVILLE, May 24.—In a game of baseball replete with sensational plays, the Springfield aggregation defeated the Santaquin club by a score of 6 to 4 today. The contest was played on the new athletic field and was witnessed by more than 300 people. During the fore part of the game it looked as though the visitors were going to shut the home team out, but in the eighth inning the Springfield huskies demonstrated a batting streak which won for them the contest.
